Pentecostal Assemblies of Newfoundland and Labrador

SHIP COVE JOY BAKER

Box 60, R.R. #1
Ship Cove, NL A0K 4J0

Grace Pentecostal Tabernacle serves the twin townships of Ship Cove-Raleigh. The assembly is vibrant in worship and has a tremendous heart for outreach. They have an evident love for their God and their church. The current challenges of rural out port have had a definitive impact on this assembly. Its active Church Board is keenly aware of the near-future impact of these challenges and has been proactive in seeking a working solution to the problem. They have partnered with the PAONL and the assembly at St. Lunaire-Griquet (1/2 hour away) to move toward a secure future. As a part of the transition period, Pastor Joy Baker (wife of Wayne Baker, Senior Pastor at St. Lunaire-Griquet) is commuting to Ship Cove-Raleigh to give pastoral care and leadership to the assembly.

These communities have had the good seed of the Gospel planted in their hearts for a lot of years – pray that it yet yields a harvest for the Kingdom! Pray that the assembly remains strong in heart and spirit so that they may continue to shine a bright light even in challenging times. Pray for Joy as she travels “to and from” to do ministry there – especially in the winter months. Pray for a successful precedent-setting initiative as it unfolds in this area.
