

is proud to introduce a degree program in

# Pentecostal Studies

"This new initiative is an exciting opportunity for Pentecostal young people interested in a dynamic learning experience, as they prepare for Pentecostal ministry. Plan to join us."

~Bradley Truman Noel, Program Director

Tyndale, formed in 1894, has trained ministry leaders for churches in Canada and the world for over a century.

This Pentecostal track, within the university program, is designed to combine the main core of biblical and liberal arts courses along with specific training in Pentecostal theology and ministry.

Designed initially to serve the leadership needs of the Pentecostal Assemblies of Newfoundland and Labrador, this learning experience includes a full semester in training in a Pentecostal church community or ministry, leading to ordination.

Pentecostals from other regions may apply. Provision will be made for field service within their respective region. Courses will include core requirements in preparation for ordination.

## **WHAT** are our benefits?

Students will graduate with a BA or a BRE university degree with the core requirements in preparation for ordination.

## **WHO** is eligible?

Anyone interested in getting the finest of training in preparation for Pentecostal ministry, as a senior pastor, youth pastor or missionary.

## **WHERE** is it offered?

At our campus located in Toronto, Ontario. We are in a safe neighbourhood close to public transit. Residence is available.

## **WHEN** does it start?

The program begins in September 2008
