## AGENDA

**Julie Himbler** is the current Medical Advocate for YWCA York, Victim Services. She is a graduate of University of Oregon. She is the co-chair of the York County Alliance Against Sexual Violence and the chairperson of the Health and Human Services Subcommittee of the York County Task Force on Domestic Violence.

**Jessica Castle** is the Community Education Director for YWCA York, Victim Services, serving victims of domestic and sexual violence and human trafficking. She has worked for YWCA York as a Child Intervention Specialist and Prevention Advocate, prior to her current position. She is a graduate of New York University. She is the chairperson for the York County Task Force on Domestic Violence.

**Pamela Gay RN, BS** is the current York County Coroner. She is a graduate of University of Florida and received her RN degree from Wesley College in Dover, DE. She serves on multiple committees in York and Adams Counties that address a variety of safety and health issues effecting the community.

**Brittany Thomas**, PharmD is a Clinical Pharmacist at WellSpan York Hospital. She is a graduate of Notre Dame of Maryland University School of Pharmacy and completed her PGY1 Pharmacy Practice Residency at WellSpan York Hospital. She is dually licensed in Pennsylvania and Maryland and serves on the Pain Management Team.

**Danielle Bowen**, PharmD, BCPS, CDE is a Clinical Pharmacist at WellSpan York Hospital. She is a graduate of the University of Connecticut, and completed her PGY1 Pharmacy Practice residency at Ralph H. Johnson VA Medical Center in Charleston, SC. Danielle has worked as a pain management practitioner in both the inpatient and outpatient settings, and is currently a member of the York Hospital Pharmacy Pain Management Team.

**Amy Krichten**, MSN, RN, CEN, TCRN is the Director of Accreditation for the Pennsylvania Systems Foundation. Amy serves as a Director at large for the National Society of Trauma Nurses and is a leading expert on trauma designation and performance improvement. Amy shares a unique perspective of trauma care looking through the viewpoint of a provider and patient.

**Rev. Susan Harthon** MDiv, ACPE Certified Educator, is the current WellSpan York Hospital Spiritual Care and Education Department manager. She has degrees from the University of Kansas, University of Illinois, and a Master of Divinity degree from Duke Divinity School in Durham, North Carolina. She provides education for the Chaplain Residents and the Summer Intern Program.

## PURPOSE

This educational activity is designed to provide learning opportunities for the health care professional on current issues and trends in trauma care.

### Objectives

- Discuss the intersection of TBI with domestic violence victims.
- Discuss the importance of TBI screening among domestic violence survivors.
- Identify how the York Community is responding to the opioid epidemic
- Identify the goals of pain management for trauma patients with a substance abuse disorder
- Discuss trauma care from the perspective of patients and family
- Identify the impact of trauma on one's spiritual outlook in life.

ANCC contact hours will be awarded.

### Target Audience

Nurses and other allied health care professionals responsible for the provision of trauma care.
