Schwartz & Associates

The re-branding of this flagship boutique hotel in downtown Chicago includes a renovation of the exterior entrance, ground floor and lobby along with the creation of a new restaurant and tavern, the updating of boardrooms, workrooms, pre-function and hospitality areas, and existing hotel rooms. Also included is the renovation of 6 existing hotel floors to 47 newly designed luxury hotel suites and one floor of administration, a newly constructed 4,400-square-foot Grand Ballroom, and a 1,660-square-foot outdoor terrace connected to the newly renovated 39th Floor Penthouse Ballroom. The building offers over 18,000 square feet of flexible indoor and outdoor function space, including 14 event rooms, re-designed breakout rooms and the nearly 3,000-square-foot Penthouse Ballroom which features floor-to-ceiling windows and 360-degree views of the city.
