Located in Wheaton, Illinois, the Senior Living Community comprises 64 assisted living units and 20 memory care units, 4 of which will be companion units. The building's four stories are residentially scaled in the craftsman style, providing distinctive "neighborhoods" within a structure framed in metal to satisfy the height and area requirements. The building's base contains a residential lobby, indoor active amenity spaces, and building services. Special features include neighborhood green roofed terraces at 4th floor memory care neighborhoods.
