Personalized iPad Training

No charge for an initial 20 minute consultation

About us:

Marilyn Piper and Craig Costello are a husband and wife team of professional technology educators and iPad enthusiasts. We teach educational technology locally and internationally using engaging methods. (Please see our website at pipello.com for details.)

Cost:

Individuals/ \$50 per hour.

Groups of 2+ / \$30 per hour per person

Individuals or Small Groups

Form your own small group and save 40% per person.

We provide an a la carte approach including:

- ✓ which iPad to purchase
- ✓ setup assistance in your home
- ✓ personalized lessons
- ✓ just in time support
- ✓ easy to follow tips and tutorials
- ✓ frustration-free learning
- ✓ maximum enjoyment

If you already have some iPad experience we will work with you to develop a customized plan to extend your iPad capabilities.
