What Has the International Human Rights Movement Accomplished?

Thursday, June 6, 2013 at 6:30 p.m.
International House Assembly Hall
1414 East 59th Street

This event is free and open to the public. A reception will follow the lecture.
Registration is encouraged, but not required.

This event is part of the 15th Anniversary celebration of the Human Rights Program. The program will include the recognition of the winners of the 2013 Human Rights writing, research, and fellowship competitions and graduating students of the Program.

This lecture series honors the life and work of Robert H. Kirschner, M.D., noted forensic pathologist and a founder of the University of Chicago Human Rights Program.
