Dear Grateful Dead Hour affiliate,

I am pleased to announce our special fund-raising edition of the Grateful Dead Hour for Fall 2008. It is on CD, natch, and available to GD Hour public-radio affiliates for \$25. Email david@gdhour.com or call 510-465-9675 to order a copy. I have also posted it on the Public Radio Exchange, if that's a convenient place for you to get it.

I am again offering as a premium *Live from Berkeley*, a collection of performances from my KPFA show, *Dead to the World*. Twelve artists donated tracks, including Keller Williams, Wake the Dead, Donna the Buffalo, Yonder Mountain String Band, and Railroad Earth. Audio samples, complete track list, and full-color cover art (by Stanley Mouse) are online at www.gdhour.com/livefromberkeley. I hope you'll check it out – the music is terrific.

Also available from other kind donors:
