

Harvest Groups coming Soon! We will be starting a number of small groups in the Fall of 2015. These groups are designed to build relationships by providing a place for members to connect and grow. Groups come in various shapes and sizes including:

- Study Groups** - Groups that studies Scripture to meet God, discover God's priorities for us, and learn how best to respond. These groups include, Sermon Study groups, Christian book studies, etc.
- Interest Groups** - Groups that meets around a particular interest such as fitness, parenting, etc.
- Care Groups** - Groups that provide mutual care and support to help one another through difficult circumstances

If you are interested in leading a group or have an idea for a group that you would like to be a part of, please email Pastor Scott at lawrence@harvestpoint.org.

Please join **Harvest Men** for our 2015 Men's Retreat at Quantum Lakes from September 24th – 26th. The cost is \$50. This will be a time of fellowship, fishing and fund. Space is limited, so register today! You don't want to miss this! To lodge at a facility of this caliber with all the amenities would easily be a few hundred dollars; fortunately the property owners have a heart to serve the church. The fee will cover all meals, snacks, lodging, uses of motor boats, fishing, basketball, etc.

We will meet at Harvest Point Fellowship Church and leave at 4 PM to Quantum Lakes. If you are driving to the retreat site, please be there by 5:30 PM. Visit harvestpoint.org/event/2015-mens-retreat for more information and to register.

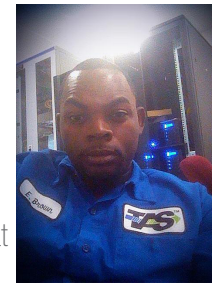

We are not focused on being religious, rather we desire that all come to have a deeper relationship with our Savior. Whether you prefer traditional music or seeking a more contemporary worship experience, Harvest Point is the place for you!

Jesus was going throughout all Galilee, teaching in their synagogues and proclaiming the gospel of the kingdom, and healing every kind of disease and every kind of sickness among the people.

What I Do. I am a commercial and industrial electrician. I work for Caprock Electric and also independently. I'm currently working on projects at MD Anderson, Shell, and Pennzoil.

How I Serve. I serve my Lord in the Media Ministry at Harvest Point. I'm grateful to be apart of a great ministry where I coordinate with the choir by putting all the song lyrics on the projector screen so all church members can sing along, while changing the background lighting as each song choice is given. Also, I follow Pastor Scott as he directs the service to make sure all scriptures are visible for members to view and follow along. I have also completed multiple electrical projects around Harvest Point.

Interesting Fact. I love to travel. I have been blessed to travel all over the U.S and overseas. I have been to Turkey, Europe, Africa, and Australia.

Favorite Scriptures. Philippians 4:13 (*I can do all things through Christ who strengthens me.*) Psalms 25
