Timeless, neoclassical architecture offers formality with a chic, modern vibe. Private tree-lined drive leads to impressive entranceway. Once inside, volume ceilings showcase a 6BR, 5.5BA, 7,000+SF resort layout with stark white wall coverings and incredible decor/design features from Fendi, Versace and A&X Casa Armani. The gated estate is an entertainer's dream with ample space for fine dining, hosting a cocktail hour or simply inviting 500 of your closest friends. Truly magnificent and easy to show.
