Do it yourselves, urban homesteaders, and equity builders needed for this wonderful home within walking distance of the Anschutz Medical Campus. Original hardwood floors on the first floor tell the story of this 1946 bungalow built in the post World War II boom. A modern two car garage in the backyard can serve as your wood shop, project car headquarters, or storage for your outdoor gear. The garden is already laid out, the compost pile started and mature, and under the stairs you'll find a pantry for the vegetables you can on the kitchen's gas stove. After work take a short trip to the new Stanley Marketplace where locally owned restaurants and boutiques abound, shop and
