Hidden Bay, Admiralty Island | Hood Bay | AK | 99901

[1995000]

For Sale

3 bedrooms | 3 baths

Discover a super-prime trophy property hidden in Hood Bay on Admiralty Island In Southeast Alaska- a personal refuge designed with unparalleled specifications and surrounded by a U.S. National Monument

The Bauhaus-style residence is built of solid Western Red Cedar timber and comprises 2,383 square feet of interior and more than 2,200 square feet of exterior living space sited on 45.75 acres of no bank waterfront. Self-sustainable for up to six months at a time, the property even boasts its own commercial fueling station for boat diesel and aviation fuel. Clearly no expense was spared in design, specification or utility despite being located
