[\$829,000]

For Sale

4 bedrooms | 3 baths

Captivating custom-built masterpiece overlooking the Red River waterway. Panoramic windows greet guests to a tranquil outdoor retreat with a stunning swimming pool, covered patio and fireplace. The interior has open living spaces filled with light designed to capture magnificent waterfront views throughout the home. Features include wolf and sub-zero appliances, led lights, flush mount speakers in living areas, and an upstairs suite. This luxurious home has to be seen to appreciate all it has to offer.
