A quick trip from Denver and nestled in the foothills is where you'll find this incredible almost-new home on an acre of sunny south facing land with beautiful mountain views. This was an extensive remodel inside and out. Inside, from the gleaming wood floors to the granite and stainless gourmet kitchen to the soaring ceilings and open spaces, you'll love all the updates and remodeling. The convenient main level master suite and living spaces were redone with accessibility in mind. Plus there is a large unfinished room over the garage with rough-in plumbing in place for expansion - ideal for a guest suite, teen suite, or separate apartment. Exterior features include a 7.2 KW owed solar PV system for
