This stunning home, built by Legacy in 2007, is unparalleled in craftsmanship & finishes. A gorgeous kitchen with custom cabinetry, hi-end appliances & a breakfast room have breathtaking views of the conservancy. The large family room has a beam ceiling & cozy fireplace. A spectacular loggia with heated floors & fireplace is a step from an impressive paneled library with fireplace. Beautiful moldings & details are throughout the formal living room & dining room. A master suite with a dressing room, sitting room, fireplace, luxurious bath & balcony, is just perfection. The finished lower level with heated floors is just right for casual entertaining at the great bar & relaxing while viewing on the large screen. Terraces which overlook the yard & conservancy are wonderful for warm weather pleasures in a very private setting. These plus numerous French doors opening to the terraces, a Ludowici tile roof & 4 car garage are just some of the remarkable features of this exceptional home!
