Exceptional opportunity for a multiple home compound just minutes to the heart of the Peninsula and the Silicon Valley. Two stunning adjacent parcels, 56 acres and 160 acres with exceptional views, ponds and highly usable land. The properties consist of rolling pastures, oak studded ridge lines, ocean views, wooded forests. There is an incredible diversity of land, plant life and scenery. This is a one-of-a-kind property. There is a large newer barn on the property as well as an outbuilding. Mostly fenced and currently used to graze cattle. RM zoning.

These properties are extremely unique in that they offer the possibility for a multi-family compound rarely found in San Mateo County. Private yet accessible location. While the properties are currently being used for cattle grazing the could be ideally suited for vineyards, agriculture and or an amazing estate property. Easily accessible to the heart of

Equal Housing. Information believed to be accurate but is not guaranteed
