On the upper floor of this traditional family home there are four bedrooms, three bathrooms and one of the laundry rooms. Two of the bedrooms share a "Jack and Jill" bath. The fourth bedroom features it's own ensuite bath. The master suite has opening windows on three sides, a large walk-in closet and five-piece bathroom.

The main floor has the study, a great room, powder room, kitchen, dining room and a "mud room" which leads to the attached three car garage which has a second laundry area. The owners have provided exceptional care to the home and the grounds.

The Walk-out basement level is mostly finished. On this level there is a recreation room, bedroom, bathroom, mechanical room and a large storage area.
