### **Sold their house, paid themselves!**

True story. These home sellers have discovered that paying some Joe Schmo agent thousands of dollars just didn't make sense. And, it wasn't necessary.

PropertyGuys.com showed them the steps and gave them everything they needed to sell successfully.  
They did it themselves.

Wouldn't it make sense to pay yourself the next time you sell your house?

Discover what it means to sell your house and pay yourself.

"Money Saved" and "Savings" are terms used to reflect an estimate of commissions saved by selling privately using the PropertyGuys.com system compared to using the services of a real estate agent. The savings amount reflected in "examples" of money saved or "customer testimonials" are for demonstration purposes only and are based on a total 5% selling commission. Real estate agent sales commission may vary based on individual brokerage practices, local customs and market conditions.
