# CENTER FOR AIDS PREVENTION

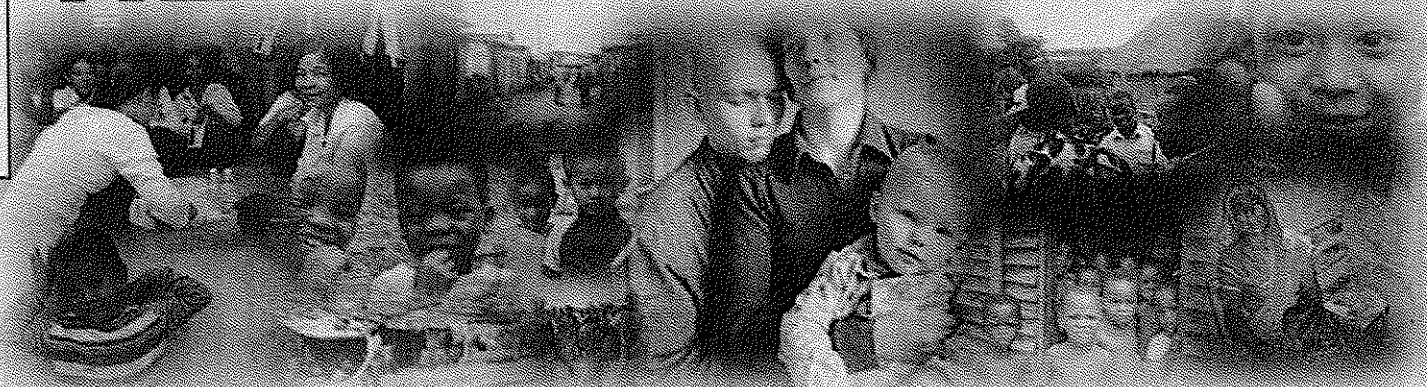

If you could stop 6000 children from dying everyday, would you?

## OUR GOAL IS TO

- Alleviate suffering for orphans and people affected by HIV/AIDS.
- Reduce the spread of HIV/AIDS.
- Build hospices for orphans.
- Create scholarship programs for the youth.
- Empower orphans and families into the 21st century.
- Support clinical testing with the best Science and Medical research.
- Educate people on the prevention of HIV/AIDS.

Support World AIDS  
Day December 1
