

PTS CommUNITY Gatherings for 2018

In response to growing interest in opportunities to meet and get to know ministry colleagues in the area, we're planning a **variety of gatherings** with flexible options, and we hope you'll be able to join us. Since no one time or day works for everyone, some events will center on lunch and themed conversations following chapel worship with President Barnes. Others will feature a supper and conversation prior to a concert or lecture. Attendees will include Alumni, Field Ed Supervisors, current students, and other members of the Seminary Community.
