100% of the proceeds from **RAINBOWS RUN • WALK** supports children with special needs and their families in Butler County through the following services:

Targeted Case Management

Rainbows uses a family-centered approach encouraging each family to make their own choices and letting the case manager advocate and coordinate the services to make the family's wishes a reality. As a long-time recognized leader in Kansas, Rainbows' case managers help families overcome barriers. They match the needs of each child and family with available community resources and access to those services.

Bright Beginnings, Infant/Toddler Services

As you watch a baby or toddler, you may wonder if they are where they should be developmentally. The future can seem clouded with uncertainty. Developmental delays are more common than you may think and, in our community, we have many ways to help. Rainbows United is here for hundreds of children, shining warmth and offering bright beginnings. Rainbows United offers 16 early intervention services, depending on your specific needs, at no costs to families.
