Question 1
Please report on the activities your group undertook during the year. Indicate how these activities correspond to the group’s charge (objectives and responsibilities, provided above). If there has been any shortfall in accomplishing those objectives, please explain.

We met (by phone) on two occasions before and after the audit as per our objectives. We reviewed the audit and found it acceptable. We provided a report to the EB.

Question 2
Please indicate your group’s plans for activities in the coming year. If they represent significant modification or elaboration of the stated objectives and responsibilities, please explain.

We will again meet (by phone) before and after the audit as per our objectives. We will provide a report to the EB.

Question 3
This question refers to any specific tasks or activities in the current Strategic Implementation Plan. They are briefly reported separately so that they can be reviewed by the appropriate staff. If your unit was not assigned any activities in the current SIP, please skip Part II.

Please briefly report on how you have fulfilled, or plan to fulfill, those specific tasks or activities, whether new or ongoing, that appear in the current Strategic Implementation Plan. Please refer to each one by their item number.

Question 4
Please comment on any issues or recommendations you would like to bring to the special attention of the Executive Board. These might be problems in fulfilling group objectives and responsibilities or in fulfilling tasks listed in the SIP, the need for additional resources, recommended changes to the group charge (objectives, responsibilities, products/outcomes), and recommended changes to the committee structure or membership. Any problems or recommendations listed here will be discussed by the Association Operations Committee and then considered at the EB meeting for possible action.
