CALL FOR PAPERS

Our conference theme,
 ANTHROPOLOGY/REVOLUTION/PRAXIS,
 focuses on the revolutionary role
 anthropology can play in a student's life;
 our role as teachers to deconstruct social,
 cultural, and biological myths; and the
 role of praxis in making change.

Papers are welcome on the theme, but
 also on teaching, best practices, activities
 and lesson plans, supporting students,
 and other aspects of the college
 experience. We will feature a short
 section of the conference on Friday on
 prison ethnography as well.

Panels and activities are also welcomed.
 Please specify when submitting abstract.
