

THE FOUNDATION EFFECT

2018
SPONSORS AND
CONTRIBUTORS

Many people have helped me become successful and I believe in paying it forward. The single act of mentoring a young person, sharing a best practice, making a donation or volunteering creates a domino effect.

I encourage you to continue to build on what was started more than 30 years ago; like single dominoes or small pebbles, you're creating a chain reaction, generating thousands of ripples. I'm excited to watch our Foundation effect grow.

- *Craig Lewis, Foundation Chair*
