## Academic Council Goals

<table>
<thead>
<tr>
<th>Goal 1</th>
<th>(75% Completed)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Increase membership. As of June 2014, the AC will now provide free memberships to residents-in-training. The AC will reach out to the NMAA and technologists to recruit new members.</td>
<td></td>
</tr>
</tbody>
</table>

**SNMMI Strategic Plan Goals that relates to this goal:**
- Goal E: Support and enhance the professional workforce and environment.

**Current Progress:** Resident in training free membership in place. Free membership to technologists and scientists in training is now offered. (Updated: 05/20/2015)

**Next Steps:** Will discuss membership drive for technologist educators and NMAA's at technologist NCOR and other technologist forums at the annual meeting (Updated: 05/20/2015)

<table>
<thead>
<tr>
<th>Goal 2</th>
<th>(20% Completed)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Outreach efforts to international residencies (IAEA) to exchange ideas.</td>
<td></td>
</tr>
</tbody>
</table>

**SNMMI Strategic Plan Goals that relates to this goal:**
- Goal B: Facilitate and support the availability and clinical utilization of nuclear medicine and molecular imaging technologies.
- Goal E: Support and enhance the professional workforce and environment.

**Current Progress:** Approved a measure that waives minimum attendance requirement at AC board/business meetings prior to consideration for board or officer nomination for international members. (Updated: 05/20/2015)

**Next Steps:** Recruit international members for AC BOD. (Updated: 05/20/2015)

<table>
<thead>
<tr>
<th>Goal 3</th>
<th>(100% Completed)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sponsor an Education session at the SNMMI 2015 Mid-Winter Meeting in San Antonio, TX called, &quot;Practical Information for Combined Nuclear Medicine and Radiology Residencies.&quot;</td>
<td></td>
</tr>
</tbody>
</table>
