Communication from NMEU to EU Observatory for the Supply of Medical Radioisotopes

BR2 Planned Restart on Track

Brussels, 16 December 2022

The NMEU Emergency Response Team (ERT) has been informed by SCK-CEN, the operator of the BR2 reactor, that everything is on track for BR2 to resume operations on December 20 through January 22 as scheduled.

Nuclear Medicine Europe anticipates normal Mo-99 and I-131 global supply going forward.

SIGNED

Ira Goldman
Chairman NMEU SoS WG

Bernard Ponsard
Chairman ERT
