

FINAL 2014 Compared to Proposed 2015 Rates
Medicare Hospital Outpatient Prospective Payment System HOPPS (APC)
Nuclear Medicine Procedures, Radiopharmaceuticals, and Drugs

[Click here for Link to References: CMS Website HOPPS CY 2015 Proposed Rule \(Fed. Reg. Version add B\)](#)

Updated July 3, 2014

Indicator	Service (Changes to status indicators for CY 2015 in Blue)	Status
A	Services furnished to a hospital outpatient that are paid under a fee schedule or payment system other than OPSS, for example:	Not paid under OPSS. Paid by fiscal intermediaries/MACs under a fee schedule or payment system other than OPSS. Services are subject to deductible or coinsurance unless indicated otherwise.
	• Ambulance Services	
	• Separately Payable Clinical Diagnostic Laboratory Services	
	• Separately Payable Non-Implantable Prosthetic and Orthotics Devices	Not subject to deductible or coinsurance.
	• EPO for ESRD Patients (Deleted in CY 2015)	
	• Physical, Occupational, and Speech Therapy	
	• Diagnostic Mammography	
E	• Screening Mammography	Not subject to deductible or coinsurance.
	Items, Codes, and Services:	
	• For which pricing information is not available (New in CY 2015)	
	• That are not covered by any Medicare outpatient benefit based on statutory exclusion (Deleted in CY 2015)	
	• That are Not covered by any Medicare outpatient benefit category for reasons other than statutory exclusion	Not paid by Medicare when submitted on outpatient claims (any outpatient bill type).
G	• That are not recognized by Medicare for outpatient claims but for which an alternate code for the same item or service may be available. Statutorily excluded by Medicare	
	• For which separate payment is not provided on outpatient claims Not Reasonable and necessary	
G	Pass-Through Drug/ Biologicals	Paid under OPSS; separate APC payment.
K	NonPass-Through Drugs and nonimplantable Biologicals, including Therapeutic Radiopharmaceuticals	Paid under OPSS; separate APC payment.
N	Items and Services packaged into APC rate	Paid under OPSS; payment is packaged into payment for other services. Therefore, there is no separate APC payment.
Q1	STVX-Packaged Codes (SNMMI comment, e.g 38792 separately payable if only item on claim for SDOS)	Paid under OPSS; Addendum B displays APC assignments when services are separately payable.
		(1) Packaged APC payment if billed on the same date of service as a HCPCS code assigned status indicator "S," "T," or "V." or "X." (2) In other circumstances, payment is made through a separate APC payment.
T	Significant Procedure, Multiple Procedure Reduction Applies	Paid under OPSS; separate APC payment.
X	Ancillary Services (Deleted in CY 2015)	Paid under OPSS; separate APC payment.
