

Why Sponsor?

Sponsorship positions your company as an industry leader. It enhances your marketing programs, since sponsors are mentioned on conference marketing materials and on the worldwide web. Sponsorship also helps us underwrite the cost of providing automotive OEMs free admittance to the event. Sponsoring organizations receive numerous additional benefits, including greater visibility for their products and services at the *world's leading automotive composites forum*.

Who Should Sponsor?

- Molders/Component Suppliers • Resin/Reinforcement/Additives Suppliers • Prepreg/Semi-Preg Suppliers
