WELCOME TO THE REGAL FAMILY

We love building boats. They are the heart and soul of a dream that began 47 years ago, and we are very proud of the Regal legacy. We are not just boat builders. We are passionate boaters who strive to pursue the ultimate boating experience.

For those who enjoy the entertainment of a 1900ES on the lake, or want to cruise some of the world’s most beautiful waters on a 53 Sport Coupe, know that we are thinking of you with every boat we build. Our mission is to create an experience that goes far beyond what you can imagine; the kind of experience that embraces a lifetime of cherished memories with your family and friends.

We have always been a family-oriented business, and always will be. We care deeply about our team, our dealers, and our Regal owners. For those of you who are already part of our family, we thank you for placing your trust and confidence in us. And for those yet to discover the Regal lifestyle, we invite you to join us on this journey filled with wonder, excitement and fun, where your final destination awaits.

Join us... you’ll be glad you did.

OUR PROMISE

ADVENTURE BEGINS WHERE THE WATER MEETS YOUR PASSION

Whether you’re heading out to the lake for a weekend of family fun or embarking upon an epic adventure at sea, we’re confident that you’ll find your Regal boat more than up to the task. Our longstanding goal of providing the ultimate boating experience starts with our commitment to quality. We’ve poured our passion for boat building into every detail, for every model and for every experience.
We all have a dream inside of us patiently waiting to become a reality but finding that dream doesn’t happen overnight. It takes time to build and to stir inside of us, waiting for the right moment to show itself. Some people search their entire life for it, but sometimes, your dream finds you. At Regal, we are dreaming with you. That’s why our pursuit of the ultimate boating experience for you and your family is at the center of everything we do.

WE ARE DREAMING WITH YOU.
When Paul and Carol Kuck founded Regal Boats in 1969, they envisioned a family-focused company that would hold product innovation and customer service as the highest pillars of the company. To keep us centered, they penned this mission statement.

**OUR MISSION**

WITH GOD’S HELP AND A STEADFAST COMMITMENT TO INTEGRITY, WE WILL DEVELOP A TEAM OF EXCEPTIONAL PEOPLE AND RELATIONSHIPS TO PROVIDE EXCEPTIONAL CUSTOMER SATISFACTION.

IT ALL BEGINS

Paul and Carol Kuck, and investors Gene Kandel and Clark Prudhon, opened Regal Marine Industries. The first models include a 17-foot tri-hull, 14-foot ski boat, and a 21-foot cat.

GROWTH

The company expands to a new, larger facility in Orlando, Florida.

FIRST YACHT

The Commodore 360 emerges from Regal as the company’s very first yacht-class vessel.

PROVEN INNOVATION

Regal debuts the FasDeck series and becomes the first company to receive the J.D. Power and Associates Awards for “Highest in Customer Satisfaction with Small Runabouts (16-19 feet) and Express Cruisers (24-33 feet) twice in a row.”

THE GLOBAL STANDARD

Regal makes its first overseas debut to Austria. Global expansion begins.

53 SPORT COUPE UNVEILED

Regal unveils its new flagship, the 53 Sport Coupe. In critical acclaim, experienced testers praise the yacht’s combination of technology, luxury and practical amenities and put it at the head of its class.

OUTBOARD VERSATILITY

The OBX series is born. Regal introduces a collection of new models combining Regal’s renowned luxury with the versatility of outboard power.
UNPRECEDENTED EFFICIENCY
REMARKABLE SPEED.

One of Regal’s greatest engineering achievements occurred in 1995. We built a better hull and it’s named the FasTrac. This patented and award-winning design has been thoroughly refined, proving its excellence year after year. At the heart of this marine marvel is our full-beam step. When combined with an aerated bottom, friction is dramatically reduced, allowing the boat to glide effortlessly on the cushion of air created between the hull and the water’s surface. The result is up to 26% faster speeds and 30% better fuel efficiency. On paper, those numbers are impressive. Out on the water, they’re absolutely astounding.

REVERSED CHINES
DYNAMIC LIFTING STRAKES
FULL BEAM STEP

BENEFITS OF THE FASTRAC HULL DESIGN

26% FASTER SPEEDS
Regal’s innovative full-beam step is engineered to channel air under the hull, reducing drag and friction. This results in unprecedented 26% faster cruising speeds.

30% BETTER FUEL ECONOMY
The FasTrac hull allows for smaller engines, providing better fuel efficiency while still out-performing competitors with larger engines.

EXHILARATING HANDLING
The deep V hull, dynamic lifting strakes and reversed chines provide outstanding handling, whether going straight or taking tight turns.
Striving for perfection in every detail on every boat we build, is found not only in the Kuck family genes, it is deeply rooted in the Regal culture. While we have a legacy of customer-centric engineering, we never rest on our laurels. Our eye is firmly fixed on delivering the illustrious combination of dynamic design, superior quality and unrivaled value to our customers.

Crafting a world-class product is more than just a job for us; it’s what we pride ourselves in. There is a certain satisfaction that can only be found in creating something out of nothing. What we do not only lifts our spirits but emboldens us to take new chances. We continue to innovate and strive to achieve new levels of excellence because it’s what we love to do.

We pour our heart and soul into this.
Enhancing your experience out on the water demands a keen eye for detail above and below deck, and our history is filled with examples of customer-centric engineering. Being on board means being together, so our exclusive features have been designed expressly for comfort as well as camaraderie.

01 Wraparound Swim Platform: The low-to-the-water swim platform wraps around the outboard.
02 Unrivaled Storage: Storage is essential to adequately equip you and for passenger comfort, so Regal has innovated its way to the top of the class.
03 Slide-Away Seating: Stretch your legs and get used to versatility. Our slide-away seating allows you to extend the cockpit eleven extra inches with the push of a button.
04 Vinyl-Wrapped Dash: Our hand-stitched vinyl wrapped dash is designed to be noticed.
05 Premium Heads: We want you to stay on the water as long as possible, so our head compartments provide ample space, comfort, and quality.
06 Arena Seating: Arena seating offers maximum storage space as well as the best seat in the house for viewing the water sports action.
07 PowerPlatform: With the touch of a button, gently submerge the swim platform for easier boat entry, and enjoyment.
08 Fusion Marine Stereo: The Fusion radio has full integration for your smart phone, which can be enclosed in a waterproof uni-dock and has an AM/FM radio.
09Regal Flat: First-in-class again, Regal brings you GPS, engine data, cruise control and Fusion stereo command from a single touch screen.
10 Social Seating: The forward or aft facing seat gives you the power to decide how you want to lounge.
Our innovative surf system was meticulously engineered to elevate your thrill to a whole new level. Sit back and enjoy the view, or drop in and experience our Surf Tab and Ballast Systems, RegalVue and Volvo Penta Forward Drive as they work together to help you architect the perfect swell.

UNLEASH THE ULTIMATE WAVE

Surf Tab System:
Cut deep and sculpt the perfect wave with adjustable tabs. These easy-to-use controls allow you to dial in the wave of your dreams.

Surf System:
A touchscreen display sets your speed, adjusts surf tabs and fills the ballast.

Ballast System:
Customize your wake by adjusting the weight of your built-in ballast tanks for the ultimate ride.

Volvo Penta Forward Drive:
Innovative propulsion system that faces forward and operates far under the boat providing less exhaust, more comfort and a smoother experience on the water.

ULTRALOUNGE

Face forward or backward, lie down or sit up. Our UltraLounge seating yields up to six unique lounging configurations to enhance your activity and state of mind on the water.

* UltraLounge varies from four to six positions depending on model.

1. **Optional Hardtop and Bimini**: The optional hardtop not only adds style but helps keep you cool thanks to the retractable sunroof and powered SunShade awning.

2. **Social Seating**: The social seating layout allows you to face forward or aft with just the flip of a backrest.

3. **Wrap-Around Swim Platform**: The low-to-the-water swim platform wraps around the outboard making it easier to enjoy activities on the water.

4. **FasTrac Hull Design**: Two full mid-beam steps reduce drag and friction by forcing air under the hull. Thanks to decreased drag, the FasTrac hull increases fuel efficiency up to 30% and raises cruise speeds up to 26% faster than the competition’s models of similar weight and propulsion.

5. **Slide-Away Seating with Dual UltraLounges**: With just the push of a button, extend your cockpit back for an extra 10” of space.
1 Oceanreef® Hull Design: A unique hull design that balances the load of the ship's systems, allowing it to turn tight, track straight, and handle seas with precision.

2 Largest Cockpit In-Class: Entertain and relax in comfort with more of your closest family and friends, 18 to be specific.

3 Refreshment Center: When you're ready to entertain, the refreshment center is the perfect place to set out the lunch buffet and allow easy access to the cooler.

4 Dual UltraLounge: Two four-position UltraLounges create a versatile transom.

5 Vinyl Wrapped Dash: Regal's vinyl wrapped hand-stitched dash is as soft to the hands as it is the eyes.
