

A person's arm is shown on the left side of the image, wearing a blue short-sleeved shirt. A yellow bandage with a blue smiley face is stuck to the forearm. The background is a light blue gradient.

Draw a new experience.

BD Vacutainer®
UltraTouch™ Push Button
Blood Collection Set

*It's unparalleled – for patients
and clinicians.*

Picture new levels of innovation.

Reduces accidental needlesticks up to 88%.

Single-handed, in-vein safety activation instantly retracts needle after use.

Minimizes patient discomfort.

PentaPoint™ bevel requires 32% less penetration force.

Improved venipuncture.

Ultra-thin RightGauge™ cannula allows the use of a smaller gauge suitable for more veins, without compromising filling times or sample quality.

Make the smart, safe, satisfying choice for patients and clinicians.

Choose the BD Vacutainer® **UltraTouch™** Push Button Blood Collection Set every time.
