

Talking through the message during the week helps you turn what God is saying to you into action steps. These talking points, questions, and scriptures are designed to help you take the next step. If you're leading a group through this guide, don't feel like you have to answer every question. Pick out those questions that will stir up conversation and action among your group.

- How did you experience God's favor this past week?

With your Bible or YouVersion, read Leviticus 26:9, Psalm 5:12, Psalm 84:11, Proverbs 3:4, and Acts 2:47. God promises favor to His people in these verses.

- What are some things you learned about God's favor from reading these verses?
- How can you become a channel of God's favor to others?
- How have you experienced God's favor while in the midst of difficult circumstances?
- What changes do you need to make in the way you think so that you begin to constantly expect God's favor?
- What season of life are you currently in? How do you specifically need God's favor during this season?
- What keeps you from recognizing opportunity in your life? What steps do you need to take to open your eyes to opportunity?
- What steps do you need to take to walk in the FOG of God's favor?
- How has this series changed or shaped the way you see God's favor?

NEXT STEPS

Here are some specific things you can do this week that will help you walk in the FOG of God's favor.

Continue to be a favor finder by adding to the list you started last week and write down every way you experience God's favor during the week. As you make your list, continue to think back on the ways you've experienced God's favor in the past and write those down as well. You might consider keeping this list going well beyond this series, as it will help you to better recognize God's favor in your life and the impact it has made.

Learn how to walk in the FOG of God's favor by watching Pastor Steven's Found Favor series from Elevation Church. You can watch the two-part series on the Elevation Church website at <http://www.elevationchurch.org/sermons/foundfavor/>.

5-Day Micro Devotional:

- Ask God to continue to show you His presence and favor on a daily basis.
- Ask God to help you change your thinking so that you expect God's favor in every situation you encounter.
- Tell God how you specifically need His favor during your current season of life.
- Thank God for the opportunities He has placed before you throughout your life.
- Pray for those you know that need to experience God's favor. Ask God to make His presence and favor known to them.
