

Talking through the message during the week helps you turn what God is saying to you into action steps. These talking points, questions, and scriptures are designed to help you take the next step. If you're leading a group through this guide, don't feel like you have to answer every question. Pick out those questions that will stir up conversation and action among your group.

- What is one of your greatest talents? How have you used this talent to honor God?

**With your Bible or YouVersion, read Judges 6:11-18.**

Gideon asks God in this passage why He would use someone as ordinary as him to save Israel.

- How does it make you feel knowing that God wants to use you to do something significant?
- Describe a time when you felt like God couldn't use you. Why did you feel that way?

**Read Exodus 4:10-12, 1 Samuel 16:6-7, Luke 22:60-62, and Matthew 14:28-29.**

These passages explain the types of people God uses.

- What types of insecurities do you struggle with most?
- How have your insecurities hindered God from using you?
- In what ways do you see yourself as being too unlikely to be used by God?
- Who are some unlikely people you've seen God use in big ways? What can you learn from the way God has used them?
- How do you think God could use your brokenness to affect others in a positive way?
- What steps will you take towards discovering and responding to what God wants to do through you?

## NEXT STEPS

Here are some specific things you can do this week to help you better understand why God wants to use you in a significant way.

Gain a better understanding of who you are in the eyes of God by watching the Who Do You Think You Are series at <http://www.lifechurch.tv/watch/who-do-you-think-you-are/>. During this five-part sermon series, Craig gives us perspective on how God sees us so that can have a new and more accurate view of ourselves.

A great first step to finding out how God wants to use you is going through The Chazown Experience. In this experience you will work to uncover God's unique vision for your life and learn steps that will help you in embracing that vision and carrying it out. Check with your campus staff to see when the next Chazown Experience will be held. You can also go through the experience on your own at <http://www.chazown.com>.

- Ask God to show you how He wants to use and what next steps you need to take as you obey His calling.
- Ask God to place the right people in your life that will help you accomplish what God wants to do through you.
