

CIRCUIT PLOTS – Royal Theatre and McPherson Playhouse

7 July 2011

The circuit layouts for the Royal Theatre and the McPherson Playhouse are now included as a separate 'saved sheet' or hidden layer within each of the CAD files for the respective house lighting plots. These files may be found on the RMTS tech pages under the heading "House Lighting Hang".

Royal Theatre tech page:

<http://www.rmts.bc.ca/rental/royaltechnical.aspx>

McPherson Playhouse tech page:

<http://www.rmts.bc.ca/rental/mcphersontechnical.aspx>

Please note: the .pdf version of the 'circuit plot' on each of the tech pages contains all of the circuit information that is included in the respective CAD files.
