Tonight, I plan to talk about my trip. So, if you will come back this evening, then I will give a report of the things we did while I was with the Barrier's. I look forward to being able to share that with you tonight.

My trip began with a visit to Ephesus. I was so fortunate to be able to see this city. I have read about all these biblical places, but this was the first time I was able to see such with my own eyes. It was a very emotional moment for me, which was full of giving thanks to God!

Since I was in Ephesus, it was hard for my mind and spirit to not go back and read, and study, the account from Acts when Paul visited the place. My lesson this morning comes from that time when Paul was accused by Demetrius, and a riot followed to the very theater in which I was sitting.

Study along with us today, as we hear from God's word. Our study will lead us quickly into application. May God bless us to practice Paul's teachings of the gospel.

Lads to Leaders

If you have any plans to attend Lads to Leaders/Leaderettes and have not let us know, we must know by the end of this month to be sure that we have everything in order.

College Age Group

We are looking into the concept of building a team of people to start and maintain a high school graduate to age 25 class/group. If you would be interested in joining that team, please let Scott know.

When the evangelism class has completed their curriculum, we are planning to put a young adult class in that space. I am praying that our high school graduates, college students, and young adults ages 25 and down will join this class and connect.

Stateside Mission Trip

If you are interested in going to Central Montana and could not attend the meeting, please text or email Scott and let him know. Tentative date is June 3-10.
