

### **GUTIERRITOS POP LOUNGE at Hecho en Dumbo**

Named after the late 1950s Mexican TV series starring Rafael Banquells and the unsurpassed master of seduction Mauricio Garcés, *Gutierritos Pop Lounge* is the perfect late evening hang-out for abogángsters, flaneurs, writers, and music nerds. With music by Selector Monobichi and visuals by Celeste, Gutierrez Pop Lounge mixes the best in Mexican and Latin American rock and psychodelia, space age pop, ye-ye, lounge, mambo and northern soul.
