

I Can't Help Myself

G D
 I confess the things, I am afraid of
 C G
 Thorns and danger just around the bend
 G D
 I pray for tongues of fire and bands of angels
 C G
 To come and circle 'round me like a fence

D F C D Emi
 CH: I lift my eyes to the hills,
 C G
 where comes my help?

D F C D Emi
 I lift my hands, empty hands
 C G C G
 I can't help myself, can't help myself
 C Emi D/F# C
 No, I can't help myself

V2 My enemies surround me like an army
 Within without the battles raging on
 I pray the spirit would be strong and mighty
 For courage through the night until the dawn

V3 Oh trust the lord, my soul and all that is in me

Oh trust the light to show my darkest parts
With wounds of truth and love, a friend who has known me
A fool would keep his secrets in his heart

Repeat Chorus
