Light Shall Be at Eventide

Words by Evan Herber Evans (alt. Kevin Twit) Music by Maria Crawford

D Em G
1. Keep me very near to Jesus
A D
Though beneath his cross it be,
D Em G
In this world of evil-doing
A D
'Tis his cross that comforts me

D Em G
2. Should there come distress and darkness
A D
Let this hope with me abide
D Em G
After all the gloom and sorrow
A D
Light shall be at eventide

3. Through the tears, the clouds, the tempest,
Shine on me, o crucified!
There's a promise in God's rainbow
Light shall be at eventide

4. Lead me onward to the future
Though i fear one step to move
Still the love of God will keep me
Love beyond a mother's love

5. Calvary has said sufficient-
Hear them sing on yonder side
Though a cross stands in the pathway
Light shall be at eventide
