

## Give to the Winds Thy Fears

© Jon Caudill Music. Words: Paul Gerhardt (trans. John Wesley). Music: Jon Caudill.

### Capo II

D                      A                      G

1. Give to the winds thy fears,

D                      G                      C A

Hope and be undismayed.

D                      A                                      Bm

God hears thy sighs and counts thy tears,

G                      A                      G                      A

God will lift up, God will lift up

G                      A                                      D

God will lift up thy head

2. Leave to His sovereign sway

To choose and to command;

Then shalt thou, wandering, own His way,

How wise, how strong, how wise, how strong

How wise, how strong His hand.

3. Far, far above thy thought,

His counsel shall appear

When fully He the work hath wrought

That caused thy need, that caused thy need

That caused thy needless fear

4. Through waves and clouds and storms,

He gently clears the way;

Wait thou His time; so shall this night

Soon end in joy, soon end in joy

Soon end in joyous day.

### Real Key

E                      B                      A

1. Give to the winds thy fears,

E                      A                      D B

Hope and be undismayed.

E                      B                                      C#m

God hears thy sighs and counts thy tears,

A                      B                      A                      B

God will lift up, God will lift up

A                      B                                      E

God will lift up thy head
