1. Jesus, the sinner's Friend, to thee,

D A7 Asus A7 D A7 Asus A7

Lost and undone, for aid I flee,

G A

Weary of earth, myself, and sin:

G A Asus A7 D A7 Asus A7

Open Thine arms, and take me in.

2. Pity and save my ruined soul;

'Tis Thou alone canst make me whole;

Dark, 'til in me Thine image shine,

And lost, I am, 'til Thou art mine.

3. At last I own it cannot be

That I should fit myself for Thee:

Here, then, to Thee I all resign;

Thine is the work, and only Thine.

4. What can I say Thy grace to move?

Lord, I am sin, but Thou art love;

I give up every plea beside--

Lord, I am lost, but Thou hast died.
