

Statement from Hollis Bromley, lawyer acting on behalf of Kevin Rostek

The Notice of Civil Claim has not yet been served on Mr. Rostek, however we are in possession of a copy of the Notice of Civil Claim and have reviewed the allegations with our client. The Notice of Civil Claim contains numerous spurious allegations, which Mr. Rostek vehemently denies. Assuming Ms. Bissonette intends to serve the Notice of Civil Claim, Mr. Rostek intends to vigorously oppose the claim that has been advanced by Ms. Bissonette and the relief she has sought. As this matter is now before the courts, Mr. Rostek will not be commenting further.
