ses (A.S.) was on the same way. Moses (A.S.) was a great and glorious Prophet. His final goal was to prepare all humanity for the coming of the Prophet of the end of time Hazreti Muhammad, peace be upon him, and to deliver the whole world in its entirety to Him. This was the mission of Moses, peace be upon Him.

This being the case, the ambitions of the contemporary Nation of Moses (A.S.) to rule from Sinai to the Euphrates, are entirely wrong and inappropriate, because there has never been a Prophet whose goal was to dominate the world. The mission of every Prophet has always been to free the whole world from the tyranny of Satan.

So read and understand...

Zaman Nebisi Hz. Muhammed aleyhisselam'a bütün insanları hazırlamak ve topyeküm dünyayı Ona teslim ve takdim idi. The mission of Moses- Peace be upon Him- bu idi.(Musa peygamberin -as-vazifesi) bu idi

Bu böyle olunca şimdiki Musevi kavminin Arişten Fırata hükmetme hedefleri çok yanlış ve yakışsızdır. Çünkü hiç bir Peygamber yoktur ki cihan hakimiyetini hedef almasın. Her Peygamber bütün Dünyayı Şeytanın hakimiyetinden almakla vazifelendirilmişlerdir. Anla ve öğren....

MODERİN HAYAT

Acaba...

- Moderin hayat insaları barıştırdı mı?
- Moderin hayat harpleri kaldırdı mı?
- Moderin hayat düşmanlık sebeplerini tüketti mi?
- Moderin hayat insanları birbirlerine sevdirdi mi?
- Moderin hayat insanları rahatlatı mı?
- Moderin hayat hırsızlıkları tüketti mi?
- Moderin hayat beyaz kadın ticaretini durdurabildi mi?
- Moderin hayat kıskançlığı bitirebildi mi?

I wonder...

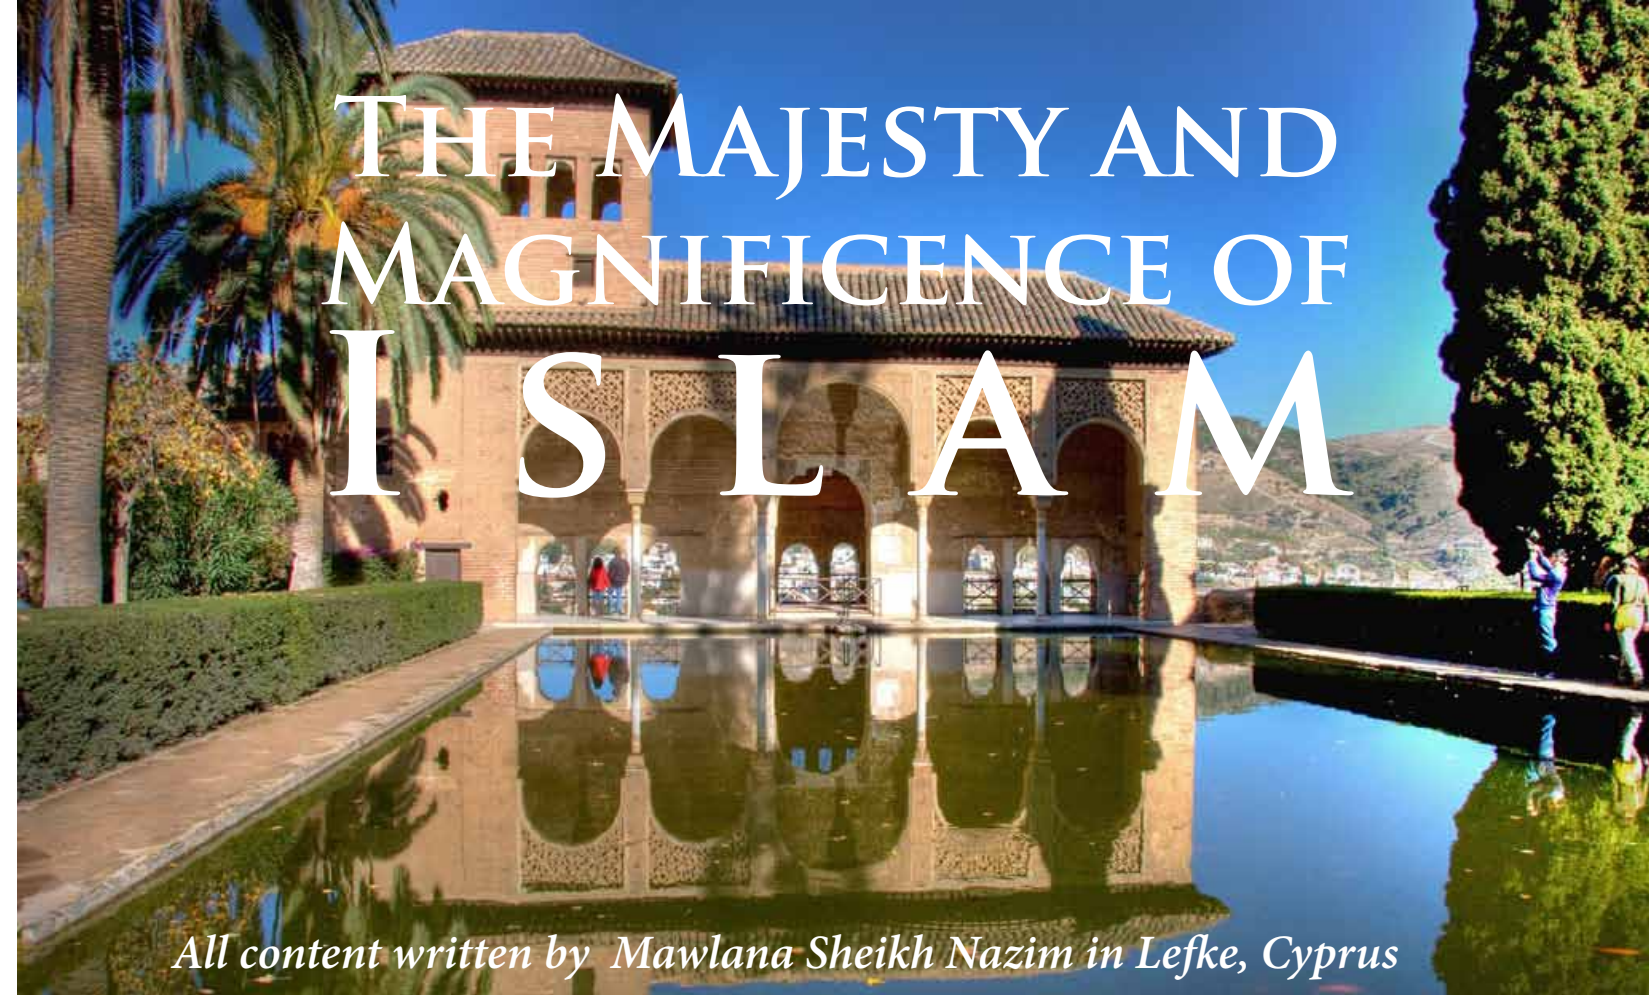

- Has Modern Life helped people to make peace?
- Has Modern Life finished the reasons for enmity?
- Has Modern Life made people love each other?
- Has Modern Life finished theft?
- Has Modern Life stopped the white slave trade?
- Has Modern Life subdued envy?

Nakşilik ve sair Tarikatların gaye ve maksadı insanların imanlarını güçlendirmek bu suretle onları kendilerini saadet ve selamete götüreceğ yol nizam edeb ve talimi öğretmektir.

Kısaca insanları azgın Nefsin elinden kurtarıp, İNSAN-I KAMİL yapmak içindir.

Mawlana Sheikh Nazim

The aim and goal of the Naqshi and all other tariqats, is to strengthen the faith of people and to teach them order and good manners. It directs them to the way that takes them to their own happiness and well being.

In short, tariqat is to save people from the hands of their wild egos and to fashion THE PERFECT MAN.

oh,
YOUTH
oh,
MANKIND

Certainly you are asking and you must ask about the MAJESTY and MAGNIFICENCE of ISLAM. Why? It's because today, in the world, the loftiest and most alive religion is ISLAM. It is shining like a star in the sky and is still intact, without losing any of its reality. By comparison the previous religions have all reached the end of their times. They are completely worn out, with nothing left except their names.

The reader should THINK!

The TRUTH is golden and never wears out, such is Islam. What is left of Christianity, now, is like other fab-

rications, merely a show, like theatre. Judaism, too, due to its strong worldly ambitions and its desire to dominate the world, abandoned the holy Torah and the way of Moses (A.S.) and became contemptible.

Thus they were thrown out of the Promised Land. Nowadays, the desire and aim of all Israeli governments is to rule all the lands from the Sinai (Arish) to the Euphrates.

The goal and mission of all Prophets, was to call all humanity to the Truth and to make the whole world follow Allah's command. Undoubtedly a great and honourable Prophet such as Mo

Ey, GENÇLİK
ve Ey
İNSANLIK!

İslamın Azamet ve İhtişamını muhakaka soracaksınız ve sormalısınız. Niçin? Çünkü Dünyada bugün en yüksek ve en canlı olarak – aslından hiç bir şey kaybetmeden – gökdeki yıldız gibi parlayan müessese ancak İSLAMİYETTİR. Çünkü geçmiş dinlerin hepsi miadlarını doldurmuşlar, ancak isimleri kalmış ve hurdaya çıkmışlardır. Okuyan düşünsün!

Hak altındır eskimez. İşte İslam işte diğer uydurmalar. Hıristiyanlık Tiyatro gibi sade bir gösterişi kalmış. Yahudilik

Dünya hırs ve hakimiyeti için Tevrat'ı şerifi ve Musa A.S yolunu bırakmış ve zelil olmuşlar ve Arz'ı Mev'uddan koğulmuşlar. Bütün İsrail devletlerinin şimdiki gaye ve hedefleri Arişten Fırata kadar hükmetmektir.

Hiçbir Peygamber yoktur ki maksad ve gayesi bütün insanları Hakka çağırmak ve bütün dünyayı Hakkın emrine tabi kılmasın. Şüphesizdir ki büyük ve şanlı bir Peygamber olan Musa Nebi de aynı yoldaydı.

Musa Nebi büyük ve azametli bir Peygamber idi. Onun son gayesi de Ahir
