MEMORANDUM

To: Clement Cottingham  
From: Edward K. Cratsley  
Regarding: Speakers for the 1971-72 year Black Studies Program

Many thanks for your memo of September 21 pertaining to the matter of speakers and also the matter of a student exchange fund. Let me cover the matter of speakers in this memo.

We are all in agreement that it is quite appropriate to draw on the Michener Fund for speakers such as you have arranged for and we therefore will earmark approximately \$1,500 for the speakers you have suggested.

When such speakers come to the campus, you can arrange with Caroline Shero for the proper payments and if any are shared with other funds or groups, please let her know so that she can charge the sharing of costs in the proper way.
