

11 December 1969

Dear Bill:

Thank you for your memorandum of December 8th. Your statement of our understanding is correct that for the balance of the fall semester the money previously allocated for student counselors, Don Mizell and Aundrea White will be placed in a special account to be used for SASS activities, with authorization to draw on it in the name of Ava Harris, the treasurer of SASS. I would like to have a conference with you and with the SASS Steering Committee towards the end of January to review how this procedure has worked, and to make plans for the spring. In the meantime, may I thank you and the SASS members for constructive and creative resolution of a difficult problem.

With all best wishes,

Yours sincerely,

Robert D. Cross,

Re: Student Counselors

It was agreed at our meeting on Thursday morning, December 4 that the money paid to the student counselors, Don Mizell and Aundrea White, be placed in a special account for SASS. This money (\$200./month) is for counseling services rendered by the SASS organization (individually and collectively.) The effective date of this change was 11/14/69. I have conferred with the SASS steering committee about this matter, and the members are amenable to this solution. This money will be used for SASS activities, and all withdrawals will be made by Ava Harris, SASS treasurer.
