Dear Courtney

I would have written
earlier had I had any
idea you would ~~let~~
anyone hold an office
at the College.

You must evict
them, at once!

This has nothing
to do with the rightness
of their demands; but
since the College would
have naturally done most
of those things, I cannot but
wonder why they took
this newspaperish but unrec -

essary step.

Sincerely,

Sidney Pluser

P.S.

Every minute you let them
stay

1. encourages them

2. sets an example for others

3. cuts down the interest

& support of alums - conservative
and liberal (I've talked to
both), and

4. does not good at all.

P.P.S.

If you're trying to fit in to
so supposed Quaker non violence
pattern, remember that many
Quakers fought ~~in~~ wars, and
were most intolerant - at least
three of my ancestors were thrown
out of meeting.

Please ! ! ! !
