

Black Nationalism, ch. 4

Esseir-Udom

'cleans a person up': moral integrity

anti-conspicuous consumption

the pursuit of wealth only as it is used for common good:

via hard work

frugality

self-discipline

don't imitate masters

brotherly, sisterly respect & love within nation
setting an example for non-Muslims

honesty, integrity, trustworthiness

Security, welfare - is not competitive, ^{hi-}pressure materialism

use of recreation time: less ^{not} for sports, dances, ^{movies} etc.

Neat, clean, reliable,

more for ~~self~~ studying, "self-improvement"
working for the people.

paternal household

don't over-crowd house; keep "order"

formalities, polite conversation, dress

?? how do they differ from honky sterility, lack of creativity? etc
is there a black culture? : music, dance, theatre - is it all bad?
is culture relevant to eco. + historical freedom ^{life-style}

honky society

1. rich oppress middle

- a. 'create' artificial needs
- b. control ppl's life
No real power in money
- c. anti-human use of \$
 - war
 - etc.
 - investm'ts
 - drugs
 - cigarettes
- d.

	≠	new cures for cancer
		good cars
		pure air

2. stifled creativity

- a. canned, man-produced art,
'culture'
- b. anti-sex except perversions
- c. racism w/ outside groups
- d. anti-letting loose in favor
of pain, proper rules - no
conduct, dress, etc.
deeply moral base -
ie at same time killing abroad
swapping wives, etc.
- e. no God, love; atomistic; secularized;
unhappy

- wht woman play director

- blk leaders in luxury
- feeds ego to talk to the 'greats', to be ldr.
- depend on wht press

- didn't want to listen to real probs. of blks

they felt ldrship could only be a big-time ldr

lazy goals
too far out
not access
not relevant

~~they felt ldrship could only be a big-time ldr~~

- wanted to live in wht house

- legitimate ldrship is difficult

- other blks aspire to that same kind of ldrship: corrupt

- organization set up so I only glory in ldr... even if ldr didn't want to be ldr

- panel got set up to discuss things
protests pre-planned

SASS ldrship

Republic of New Africa

alternatives:

1. Values

- indiv. has to internalize commitment
- so that it applies where ever they are; they are a nation;

- people have to be told what they can contribute; that they can contribute

- time factor
ldr follows responsibility

having answer

program goal

philosophy: self-help, liberation, self-reliance
