## BLACK ADMISSIONS COMMITTEE

Part of faculty action on AHBAC. See Clarification Document VIII, pgs. 5-7.

- 2/3 vote AHBAC
- 5) B. We propose that this committee consist of 3 faculty members, 5 students including representation of SASS, 2 administrators: the representatives of each group to be chosen by that group. <sup>as per my request</sup> If possible, at least one of the faculty members and one of the administrators <sup>will be</sup> shall be black. <sup>as per my request</sup> If this is not possible, interim procedures will be agreed upon by SASS and the faculty. (We assume that student representation will be in accordance with the student body resolution of January 12.)

<sup>Re faculty assumed that naturally a black fac member & a black admin would naturally be chosen to be among the fac & admin members, as soon as such members are present. Meanwhile SASS</sup>

6) D. Among the responsibilities of the Ad Hoc Black Admissions Committee are the following:

- 2) Periodically to review [present] admissions standards and procedures involved in evaluating black applicants.... <sup>meaning "temporary" and, in the course of operation, that this could</sup>

may give way to a more permanent arrangement.

- 7) 4) To prepare reports as it sees fit. <sup>Pink</sup> Such reports might cover, for example, pre-enrollment programs, the size of the black student community, and the application of black admissions policies by the admissions staff.

- 8) F. <sup>That cannot do either morally or legally. The intent of this, the</sup> No policies directly pertaining to the admission of black students will be implemented without prior approval by SASS. <sup>faculty feels, well, however, he observed</sup> <sup>is, both legally and morally, inadmissible</sup> <sup>throughout honest cooperation should make such a statement unnecessary. Ref. faculty feels strongly that the "intent" of this will be absent.</sup>

Re method of student representation, at least in this case, is completely in the hands of the student body's chosen representatives. It is assumed by the faculty, that student representatives would include at least four members chosen by SASS in a free election, <sup>strongly candidates that</sup> approved by Student Council. In this particular case, the faculty <sup>and one</sup> <sup>member from the administration</sup> would hope that the Board of Managers would waive its prerogative of final approval in this case. <sup>to endorse the object, thus making approval</sup>
