

QUALITY MATERIALS
SUPERIOR CRAFTSMANSHIP
PREMIUM GRILLING

Special moments like a family barbecue or a celebration with friends and neighbors are made even more special with the American Outdoor Grill. Designed and manufactured by the company that brings you Fire Magic® Premium Grills, these grills bring style and cooking excellence to your outdoor kitchen. The AOG is made of the finest commercial-grade stainless steel and features a large cooking surface with stainless steel rod cooking grids. High BTU capacity allows for searing, while a recessed backburner, spit and motor permits slow, rotisserie cooking. An available sideburner is perfect for side dishes or preparing that special sauce. Create your entire meal on the versatile American Outdoor Grill!

Backyard Perfection.

The American Outdoor Grill has been designed with a stylish, sleek appearance. Its rounded hood and contoured face feature a satin finish that offers an attractive look to any outdoor kitchen. Built-In or Portable, you'll be delighted with the look and performance of your American Outdoor Grill.

Ideal for the outdoor kitchen, the American Outdoor Grill is designed and manufactured for long-lasting, top performance. Choose from three popular sizes- 36", 30" and 24"- depending upon your cooking needs. All models give you a wide range of cooking options, from slow rotisserie cooking to high temperature searing. A selection of cooking accessories and storage access doors and drawers are available to complement your outdoor kitchen.

CRAFTED WITH PRIDE IN THE USA

The Robert H. Peterson Co. reserves the right to amend product specifications without prior notice.

Outstanding cooking performance, durable construction and appealing design come together in the portable and post models of the American Outdoor Grill. The portable models (in 36", 30" and 24" sizes) feature a flush mounted 12,000 BTU sideburner, dual side shelves, and ample storage area under the grill. The In-Ground and Patio Post models (in 24" size) offer a simple, permanent installation. The Post models feature a three hour safety timer that automatically shuts the gas off.
