- Stand Armoire (A) upright. Insert Wood Screws (E) through hinge attached to Armoire (A) and tighten into edge of Top (F). Remove paper backing from Foam Pads (G) and place onto corners of Armoire (A). (See ill. #2 & #3)
- Your furniture has been handcrafted and skillfully finished by fine craftsmen. Rich, deep antique finishes have been applied which require very little polish. However, should you desire a shinier finish, simply use any good grade of furniture polish, rubbing the finish lightly as it is being applied. Allow to dry and buff lightly with a soft cloth.

If you have a problem, we want to have the opportunity to make it right!
