

SPOTTING SCOPES

SPORTVIEW®

15–45x 50mm

781545

A great mid- to high-power spotting scope for all-around use.

Premium hard case included.

AN OUTSTANDING VALUE ANY WAY YOU CONFIGURE IT.

Don't be bashful. We propose you grab both versions of this one-two punch of Bushnell® quality and affordable pricing. Our Sportview series is offered in two different magnification ranges, 15–45x and 20–60x, to suit the needs of virtually any outdoor enthusiast. Both models come standard with crisp, clear fully coated optics, tripod and hard carrying case. And their rugged construction ensures long-term dependability. An impressive blend of value and performance times two.

FEATURES: Variable zoom eyepiece for great viewing range | Fully coated optics reduce glare and enhance picture clarity | Rugged construction | Compact tripod | Hard carrying case

20–60x 60mm

782061

Extra power and performance at the high end for extended-range viewing.
