Warranty

All units are covered by a (1) year comprehensive parts and labor warranty. In addition, a five (5) year limited parts warranty covers specific parts that vary by model. Please see the product Use and Care Manual for the specified parts covered under this warranty. A lifetime warranty covers all stainless steel components against manufacturer related defects. This excludes discoloration or surface corrosion resulting from improper use and care as well as normal use discoloration. Please refer to product use and care manual for proper care and maintenance. *Because of continuing product improvement these specifications are subject to change without notice.
